Ancient Rosé Farmhouse of Primitivo

The Rosé of Primitivo was born from the desire to challenge ourselves again by experimenting with new fermentations in a region, Puglia, where Rosé is a local tradition and culture. Here it is in the Primitivo version for lovers of softer and more captivating aromas.

TASTING NOTES AND PAIRINGS

Bright, light pink color. On the nose, notes of raspberry and strawberry are distinguished, blending with the herbaceous and mineral aromas of the Mediterranean scrub. The palate is balanced in freshness, harmonizing with soft and ripe fruit. Perfect with cold first courses, fish appetizers, seafood soups, and cheeses.
