SANPAOLO - CAMPANIA (Torreioni, Avellino), ITALY

Alcohol 13%	Acid ND	Residual sugar 3.1. g/L

Perched on a volcanic hill surrounded by vineyards and woods, it collects the legacy of a historical area and projects it into the future with a contemporary vision and language. It rises in the capital of Greco di Tufo DOCG in the heart of Irpinia, on a hilly ridge, to the right of the Sabato river. The grapes come from selected plots in the most suitable areas and are grown up to 700 meters above sea level, where the strong temperature range enhances its aroma. The soil is varied between clayey, calcareous, sandy and with ashes from Vesuvius.

VARIETY

100% Falanghina
YIELD PER HECTARE: 80 Q / HA
6 months steel

TASTING NOTES AND PAIRINGS

Straw yellow color with greenish reflections. On the nose notes of citrus fruit, apricot, white-fleshed fruit which are echoed by toasted hints and wild flowers. Juicy, savory, fresh and at the same time soft on the palate. Long and persistent finish. Ideal for aperitifs and seafood dishes, risottos, dairy products and lightly aged cheeses.
